ICM&P 2025

2nd JSME International Conference on Materials & Processing,
ICM&P 2025

Nov. 3th- 6th, 2025

First Circular

Guam, USA

Hilton HOTELS & RESORTS

202 Hilton Road Tumon Bay, 96913
Guam

Conference overview

The International Conference on Materials & Processing is the premier international conference in the field of engineering on advanced materials and processing, sponsored by Japan Society of Mechanical Engineers (JSME), encouraging the exploration of collaborative research and technology transfer and promotes professional networking among scientists, technologists, and manufacturers.

Key dates

April 30st

400 Words Abstract

June 30th

Full paper submission

Aug. 31st

Early registration

Special Issue

Published in Mechanical Engineering
Journal by JSME (ISSN 2187-9745)
APCs (tentative): 50,000 (JPY)

Contact

Yasuhiro Yamazaki,
Chiba University
E-mail: Y.yamazaki@chiba-u.jp

Technical Symposia

The conference is highlighted, but are not limited to;
Symposia 1: Materials
Symposia 2: Processing
Symposia 3: Micro & Nano Technologies
Symposia 4: Properties, Applications & Systems
Symposia 5: Sustainable Manufacturing

Registration fees (tentative)

PRESENTING AUTHOR	\$700
STUDENT	\$350

Organizing committee

Conference Chair: **S. Kobayashi** Tokyo Metropolitan Univ.
Conference Co-Chair: **Y. Yamazaki** Chiba Univ..

Executive Committee:

Chair:	Y. Yamazaki	Chiba Univ.		
Co-Chair:	H. Nakanani	Osaka Metropolitan Univ.		
Co-Chair:	T. Sato	Kansai Univ.		
	Y. Kishimoto	Tokyo City Univ.	T. Sakai	Saitama Univ.
	Y. Arai	WASEDA Univ.	A. Hosoi	WASEDA Univ.
	H. Tohyoh	TOHOKU Univ.	M. Ueda	Nihon Univ.
	K. Masuda	Toyama Univ.		

Scientific Committee

Chair: **R. Matsumoto** Osaka Univ..

Program Committee

Chair: **H. Akasaka** Tokyo Inst. Tech
