

ICM&P2022 -day 1- 11/6 (Sun.)

15:00 -17:00	New Technology Development Forum
-----------------	---

ICM&P2022 -day 2- 11/7 (Mon.)

8:30	Registration			
8:50	Opening Remarks			
9:00	Plenary Lecture by Prof. Hideshi Miura (Kyushu University)			
10:00	Tea & Coffee Break			
	Room A	Room B	Room C	Room D
10:20	Cell Mechanics and Biomaterials 1	Ceramics and Ceramic Matrix Composites 1	Surface Modification for Tribo Materials 1	Measurement Techniques and Nondestructive Evaluations for Materials, Structures and Processing 1
12:00	Lunch Break			
13:20	Cell Mechanics and Biomaterials 2	Ceramics and Ceramic Matrix Composites 2	Surface Modification for Tribo Materials 2	Measurement Techniques and Nondestructive Evaluations for Materials, Structures and Processing 2
15:00	Tea & Coffee Break			
15:20	Polymer Matrix Composites 1	Formation and Application of Carbon-based Materials	Evaluation of Interfacial Strength in Dissimilar Materials Joint + Track 3 General Session	Thin and Thick Coatings and Its Various Properties
17:00	Tea & Coffee Break			
17:20 -18:20	Plenary Lecture by Prof. Igor Emri (University of Ljubljana)			

ICM&P2022 -day 3- 11/8 (Tue.)

	Room A	Room B	Room C	Room D
9:00	Polymer Matrix Composites 2	3D and Micro-nano Processing and Materials	Processing Advanced Casting and Semi-solid Forming + Track 2 General Session 1	Measurement Techniques and Nondestructive Evaluations for Materials, Structures and Processing 3
10:20	Tea & Coffee Break			
10:40	Polymer Matrix Composites 3	Advanced Structural/Functional Materials + Track 1 General Session	Track 2 General Session 2	Measurement Techniques and Nondestructive Evaluations for Materials, Structures and Processing 4
12:20	Lunch Break			
13:40	Polymer Matrix Composites 4	Material Molding, Processing and Evaluation by Data-driven Approach	3D/4D Soft-matter Systems and Soft-matter Robotics	Measurement Techniques and Nondestructive Evaluations for Materials, Structures and Processing 5
14:40	Tea & Coffee Break			
15:00	Poster Session at Foyer			
17:00	Tea & Coffee Break			
17:20 -18:20	Plenary Lecture by Prof. Paolo Colombo (Università degli Studi di Padova)			

ICM&P2022 -day 4- 11/9 (Wed.)

9:00	Plenary Lecture by Prof. Naoto Ohtake (Tokyo Institute of Technology)			
10:00	Tea & Coffee Break			
	Room A	Room B	Room C	Room D
10:20	Polymer Matrix Composites 5	Dynamic Behavior of Materials and Structures 1	Metals and Metal Matrix Composites 1	Process and Reliability of Welding and Joining 1
12:00	Lunch Break			
13:20	Polymer Matrix Composites 6	Dynamic Behavior of Materials and Structures 2	Metals and Metal Matrix Composites 2	Process and Reliability of Welding and Joining 2
14:40	Tea & Coffee Break			
15:00	Poster Session at Foyer			
17:00	Tea & Coffee Break			
17:20 -18:20	Plenary Lecture by Dr. Joamin Gonzalez-Gutierrez (Luxembourg Institute of Science and Technology)			

ICM&P2022 -day 5- 11/10 (Thu.)

	Room A	Room B	Room C	Room D
9:00	Polymer Matrix Composites 7	Dynamic Behavior of Materials and Structures 3	Smart Materials and Structures 1	Advanced Material Processing 1
10:20	Tea & Coffee Break			
10:40	Polymer Matrix Composites 8	Dynamic Behavior of Materials and Structures 4	Smart Materials and Structures 2	Advanced Material Processing 2
12:00	Lunch Break			
13:20	Polymer Matrix Composites 9	Novel Porous Materials and Their Applications	Metals and Metal Matrix Composites 3	Advanced Material Processing 3
15:00	Closing Address			
15:20	Conference Closed
