

Figure 1

The space allocated for each poster presentation is shown in figure 1:

Posters must be fixed on the panels using double sided adhesive tape (no pins, nails or similar).
At the end of the sessions the posters must be removed by the authors.

Poster format, size, and dimensions

Your poster should be a **maximum** size of 84,0 cm wide x 59,4 cm long (paper format A-1), as shown in figure 2.
Larger sized posters are not able to be displayed.
All posters must be displayed **vertically**, not lengthwise.
